The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL OF ORDINANCE AMENDMENT TO LOS ANGELES COUNTY CODE
TITLE 8 AND TITLE 20 - PUBLIC HEALTH LICENSE, PERMIT AND SERVICE FEES
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT THE BOARD AFTER THE PUBLIC HEARING:

Approve adoption of the attached ordinance amending Los Angeles County Code (LACC) Title 8, Consumer Protection and Business Regulations, and Title 20, Utilities, to increase public health license, permit, and service fees effective Fiscal Year (FY) 2007-08, by approximately five percent, in order to allow the Department of Public Health's (DPH) Environmental Health Division to recover revenue loss due to increased service costs.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

In approving this recommended action, the Board is allowing the DPH's Environmental Health Division to increase public health license, permit and service fees for FY 2007-08 by approximately five percent to allow the Department to recover costs for the various program services provided by DPH's Environmental Health Division. The ordinance will amend LACC Title 8 and Title 20, where the public health license, permit and service fees are codified.

DPH's Environmental Health Division performs mandated regulatory activities related to food, housing, water, liquid and solid waste, and vectors. State and local health and safety codes provide for the authority to carry out regulatory activities that promote a safe and healthy environment, which are offset by the collection of license/permit and other service fees.

Implementation of Strategic Plan Goals

The proposed fee increases meet the County's Strategic Plan Goal of Fiscal Responsibility by allowing DPH to collect the appropriate cost-based reimbursement fees for services provided by DPH's Environmental Health Division.

FISCAL IMPACT/FINANCING

DPH's Environmental Health Division's projected operating cost for FY 2007-08 is \$73.5 million. Without the proposed five percent increase to the public health license, permit and service fees, DPH estimates total revenue for FY 2007-08 to be approximately \$64.4 million. If approved, the approximate five percent increase will generate an additional \$3.2 million in revenue, or an increase from \$64.4 million to \$67.6 million in total revenue.

If approved, most public health fees for FY 2007-08 will increase by approximately five percent, except for the functional hourly rate and the backflow prevention assembly fee. The functional hourly rate, which is charged for special services rendered under LACC Section 8.04.728(c), will increase from \$61 to \$68. The backflow prevention assembly fee for the processing of annual test notices for backflow prevention devices will be increased from \$18 to \$20. These devices require annual testing, mandated by State and County codes. A five percent increase is not sufficient to cover the costs associated with securing an inspection, evaluation, report, approval, or other service as described in LACC Section 8.04.728(c), nor sufficient to cover the costs associated with processing existing backflow devices. The functional hourly rate and the backflow prevention assembly fee were increased based on cost recovery.

Except as indicated above, DPH has decided to limit its proposed public health license, permit, and service fee increase to approximately five percent, instead of the actual 12 percent needed to fully recover projected costs. To address the projected shortfall for FY2007-08 of \$4.5 million, the DPH will keep its expenditures consistent with the revenue generated, while aggressively pursuing fee collections and closely monitoring the DPH Environmental Health Division hiring plan for FY 2007-08.

Provisions within the LACC limit all fees to cost recovery only.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Pursuant to California Government Code, Section 66018, a local agency must hold a public hearing as part of a regularly scheduled meeting of the Board of Supervisors, before adopting an ordinance, resolution, or other legislative enactment adopting a new fee, and shall publish notice of the public hearing in a newspaper in accordance with Government Code Section 6062a. On July 25, 2006, following a public hearing, the Board approved fee increases for DPH Environmental Health Division's regulatory and

inspection activities, and ordinance amendments to LACC, Title 8 and Title 20, for FY 2006-07.

Attachment A provides additional information.

County Counsel has approved Exhibit I as to form.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The plan developed to address past deficits and the projected budget shortfall for FY 2007-08 will continue, and will affect the inspection frequency and response capability of DPH Environmental Health Division programs. In general, DPH expects program adjustments, while maintaining basic services at reduced levels. DPH anticipates the impact of the projected budget shortfall, as it relates to other current services, to slightly reduce the frequency of inspections, to create somewhat longer response times and longer approval periods for plan checks, as well as fewer sweeps or investigations of unlicensed activities related to food vendors, garment manufacturers and illegal dumpsites, but all still within mandated requirements.

CONCLUSION:

When approved, it is requested that the Executive Officer of the Board of Supervisors return four adopted stamped copies of the Board letter and ordinances to: Department of Public Health, Director of Environmental Health Division, 5050 Commerce Drive, Baldwin Park, CA 91706.

Respectfully submitted,

Jonathan E. Fielding, M.D., M.P.H.
Director and Health Officer

SUMMARY OF ORDINANCES1. TYPE OF SERVICE:

Environmental Health is a regulatory agency within the DPH that performs mandated services related to food, housing, water, liquid and solid waste, and vectors. State and local health and safety codes provide for the authority to carry out regulatory activities that promote a safe and healthy environment, which are offset by the collection of license/permit and other service fees.

Attention: Terrance Powell, Acting Deputy
Telephone: (626) 430-5100 Facsimile: (626) 813-3000

3. TERM OF AGREEMENT:

Not applicable.

4. FINANCIAL IMPACT/FINANCING:

Public Health Permit fees currently exist for wholesale food markets and wholesale independent vehicles. A Public Health Permit fee of \$354 is proposed to cover the costs for the inspection of the overall facility/complex from which individual wholesale food markets sell. The inspection of these wholesale food market complexes will cover common areas, such as trash, storage, janitorial, and restroom facilities under the control of the wholesale food complex operator. Currently, DPH's Environmental Health has eleven of these complexes in its inventory for a total amount of \$3,894 annual revenue (\$354 annually for each site).

Provisions within the LACC limit all fees to cost recovery only.

5. GEOGRAPHIC AREA TO BE SERVED:

Countywide.

LEGAL NOTICE OF HEARING

TO: Sachi A. Hamai
Executive Officer
Board of Supervisors

FROM: Department of Public Health

SUBJECT: **PUBLISHING NOTICE OF PUBLIC HEARING ON PROPOSED TITLE 8 AND
TITLE 20 PUBLIC HEALTH LICENSE, PERMIT AND SERVICE FEES
INCREASE**

Section 66018 of the California Government Code requires that when there is an increase of an existing fee, a local agency shall hold a public meeting as part of a regularly scheduled meeting. Notice of the time and place of the public meeting, including a general explanation of the matter to be considered shall be published in accordance with Section 6062(a). Section 6062(a) states the publication of notice pursuant to this section shall be for 10 days in a newspaper regularly published once a week or more often. The period of notice commence upon the first day of publication and terminates at the end of the tenth day, including therein the first day.

Therefore the County of Los Angeles, Department of Public Health, respectfully requests that the Executive Office of the Board of Supervisors publish the provided Notice of Public Hearing on Proposed Public Health License, Permit and Service Fees Increase, with the County's contracted newspaper to be in compliance with the above sections of the Government Code.

Please contact me at (213) 240-8156, if you need additional information.
